

One Life Racing Round-up No.80, 4th November 2011

BBC Children in Need

Matt Baker from the one show is cycling from Edinburgh to London to raise money for “Children in Need” on a rickshaw; one of his stops is at Wentworth on Saturday 12th November between 5-6pm. The BBC have been in touch and wondered if we could get some people to greet him as on their bikes as he arrives and cycle a lap of the track with him (if you can make it on the day please email Geoff Cant at the Wentworth centre on geoff.cant@northcountryleisure.org.uk), there is a chance you could be on the **One Show** programme on Monday evening, also it’s a great way for us to show support for “Children in Need” as well as spending loads of money at **Abbie Pearson** and **Rosie Mitchells** cake stall on **Sunday 13 November**. The stall will be in the Wentworth during our Swimming session. Please support Rosie and Abbie in this endeavour which they have put together themselves.

As well as buying some cakes if you are willing to chip in with some baking of your own, the girls will be happy to sell it on behalf of Pudsey!

You can reach Rosie via Facebook or rosieposie123@btinternet.com
